

Foil Tips

(foil only option)

Be sure to supply your artwork with **3mm** of bleed and keep all text and important images at **least 3mm from the trimmed edge**. Check out our **Artwork Guidelines** on the website for more info.

Paste your foil artwork in the exact position you would like it to be printed and to size. Please make sure all text is **converted to outlines** and everything is in **100% black**.

Final Artwork
(see website for stock and foil options)
